AMENDMENT AFTER FINAL

Sir:

The undersigned is submitting the present "Amendment After Final" concurrently with the Appeal Brief for the present application. The present amendment is being submitted only to correct a minor instance of a lack of antecedent basis in claim 21. It is requested that the present amendment be entered so that the preexisting antecedent basis issue for Claim 21 may be removed before the present appeal moves forward.

A request for a five month extension of time has been submitted in connection with the concurrently submitted appeal brief along with authorization for the Office to charge the required fee.

Amendments to the Claims begin on page 3 of this paper.

Remarks begin on page 14 of this paper.
